ROWE Professional Services Company Names New Associate

Flint, Michigan, December 8, 2011 – Effective January 1, 2012, Daniel W. Bartlett, PE, CFM, will be an associate at ROWE Professional Services Company. He will join the group of 10 current associates, company stakeholders who participate in firm management and long-range goal development to improve the quality of services provided to clients.

Bartlett joined ROWE in 1999 as a student survey field technician and became a graduate engineer in 2002 after earning a B.S. in civil engineering from Michigan State University. He was promoted to assistant project engineer in 2006 and, after becoming a professional engineer in 2007, to project engineer in 2008. His responsibilities include working on water modeling and hydraulic studies for water and sewer systems.

ROWE's headquarters is in Flint, Mich.; additional offices are located in Lapeer, Mt. Pleasant, Grayling, and the tri-cities area in Mich., and Myrtle Beach, SC.

ROWE is a full-service professional firm specializing in civil engineering, surveying, aerial photography/mapping, landscape architecture, planning, and land development.
