## **ROWE names a new associate**

**Flint, Michigan, Jan. 5, 2010** – Henry B. Horton, PS, has been named an associate at ROWE Professional Services Company.

Associates are shareholders in the company, and participate in management of the firm and evaluate and contribute to company objectives and the long-range goals to improve the quality of services provided to clients.

Horton joined ROWE in 2001 and serves as director of survey operations at the company's Lapeer office. His duties include performing surveying services for various boundary survey projects, construction staking, GPS, static and kinematic surveys, remonumentation, topographic surveys, and ALTA surveys.

ROWE's headquarters are in Flint, MI; additional offices are located in Lapeer, Mt. Pleasant, Grayling, and the tri-cities area of MI, and Myrtle Beach, SC. The firm provides engineering, surveying, aerial photography/mapping, landscape architecture, planning, and land development services to governmental and private entities nationwide.
