John D. Matonich, PS, Appointed to Advisory Council for Industry Accreditation

Flint, Michigan, February 2, 2011 – ROWE Professional Services Company President and CEO John D. Matonich, PS, has been appointed to a three-year term on the Industry Advisory Council (IAC) of the Accreditation Board for Engineering and Technology, Inc. (ABET).

ABET is the recognized accreditor for college and university programs in applied science, computing, engineering, and technology. The organization accredits more than 3,100 programs at more than 600 colleges and universities worldwide. ABET has provided leadership and quality assurance in higher education for more than 75 years.

The IAC provides a forum for senior executives and leaders, representing a cross-section of industry and government, to exchange views with ABET and each other on common issues relating to quality assurance and the continuous improvement of engineering, technology, computing, and applied science education.
