## **ROWE Professional Services Company expands list of professional engineers**

**Flint, Michigan, Feb. 25, 2010** – Three ROWE Professional Services Company employees recently earned their professional engineer licenses.

Michael A. Royalty, PE, is a project engineer in the civil utilities division and works in ROWE Professional Services Company's corporate headquarters in Flint. Matthew J. Seitz, PE, is an assistant project engineer in the transportation department and also works in ROWE Professional Services Company's corporate headquarters in Flint. They assist in the design and analysis of various road and infrastructure projects.

Timothy M. Bradshaw, PE, is an assistant engineer in the civil utilities division and works in ROWE Professional Services Company's Lapeer office. He also assists in the design and analysis of various road and infrastructure projects.

ROWE Professional Services Company's headquarters is in Flint, MI; additional offices are located in Lapeer, Mt. Pleasant, Grayling, and the tri-cities area in MI, and Myrtle Beach, SC.

ROWE Professional Services Company is a full service firm specializing in civil engineering, surveying, aerial photography/mapping, landscape architecture, planning and land development services.
