## **ROWE Professional Services Company Names New Principals**

**Flint, Michigan, August 11, 2010** – Jack T. Wheatley, PE, and Leanne H. Panduren, PE, have been promoted to principals at ROWE Professional Services Company. Previously two of 14 associate owners, they join a team of six ROWE principals.

Wheatley joined ROWE in 1989, was named an associate in 1995, and promoted to senior project manager in 2006. He has served as project engineer and project manager on many civil utilities projects. His role will now be Principal/Director of Corporate Marketing.

He is active in several professional organizations, including the Michigan Society of Professional Engineers and American Public Works Association. He is currently a trustee on the Flushing Community Schools Board of Education and secretary of the Flint River Corridor Alliance Board.

Wheatley earned a bachelor of science degree in civil engineering from Michigan State University in 1989 and is a licensed professional engineer in Michigan.

Panduren joined ROWE as an assistant project engineer in 1994. She was promoted to project manager in 2000, named an associate in 2000, and named manager of the Civil Utilities Division in 2006. Her responsibilities include overseeing various municipal projects and coordinating all staff in the Civil Utilities Division. She will now serve as Principal/Civil Utilities Division Manager.

She is the treasurer of the National Society of Professional Engineers, president of the Lapeer Family Literacy Center Board of Directors, and a member of the Thumbworks Workforce Investment Development Board of Directors.

Panduren earned a bachelor of science degree in civil engineering from Michigan Technological University in 1993 and is a licensed professional engineer in Michigan and South Carolina.

ROWE's headquarters is in Flint, MI; additional offices are located in Lapeer, Mt. Pleasant, Grayling, and the tri-cities area in MI, and Myrtle Beach, SC.

ROWE Professional Services Company is a full service professional consulting firm specializing in civil engineering, surveying, aerial photography/mapping, landscape architecture, planning and land development services.
