Contributions to the Advancement of the Design Profession

- Received two design engineering awards in 2008 and 2007
- Developed "Rowe University" to provide in-office staff technical training opportunities
- Participated in numerous professional engineering societies
- Supported middle school, high school, and college students interested in engineering
- Sponsored community programs that promote the value of engineering

Contributions to the Community

- Honored by local chamber of commerce with an award for the highest level of community service
- Built a new home with Habitat for Humanity
- Donated Christmas gifts to abused/neglected children
- Donated supplies and gifts to two families through Volunteers of America-Michigan's "Adopt-a-Family" program
- Supported many non-profit agencies, such as United Way, American Cancer Society, and Food Bank of Eastern Michigan
- Planted and maintained flowers in downtown Flint through Genesee County's "Cultivating our Community" program
- Volunteered with the Flint Institute of Music's "Music in the Parks" series
- Cleaned and maintained a two-mile stretch of Michigan highway through Michigan Department of Transportation's "Adopt-a-Highway" program
